Class Preparation

DAILY SCHEDULE—Classes begin at 8:00 a.m. each day and end at 5:00 p.m. There are no classes on Saturday and Sunday. Homework, including both reading and written, will be assigned.

WHAT TO BRING—Small hand tools per person (pliers, screwdrivers and a small 3/8” socket set), a volt/ohm meter with the capacity to measure voltage and current and an antistatic wrist strap. Students should also be prepared to carry home several technical manuals and notebooks. A Laptop with Windows 2000 or XP (no Vista), needs to have either a serial port built in or a USB to serial port. **All classes require a laptop.**

EXPENSES—You are responsible for all expenses. (*Lunch **will not** be provided during the training sessions.*)

RECOMMENDED ATTIRE—We suggest casual attire that is suitable for sitting and walking. You are required to wear long pants (no shorts) and closed-toed shoes that are not made of plastic, nylon or canvas. This is a safety requirement.

HOTEL RESERVATIONS—You are responsible for making your own hotel reservations. Call at least two weeks prior to checking in. Guarantee your room for late arrival if checking in after 4:00 p.m. On the last day of class, check out of the hotel before leaving for a class and take your luggage with you.
